Sponsorship Guide

Your Sponsorship Matters

The Head and Heart Luncheon is Frameworks of Tampa Bay's annual signature fundraising event. As a nonprofit, we rely heavily on generous supporters to continue to expand our mission to **EQ**uip all children in Tampa Bay with the knowledge and know-how to become kind, collaborative and capable citizens through building **emotional intelligence**- also known as **EQ**. The most important thing you can do to strengthen Tampa Bay is invest in our local children's emotional development.

Imagine if every child in our community enjoyed going to school, made friends easily and graduated on time. Imagine if bullying didn't exist, and everyone treated each other with kindness and respect, even during disagreements (especially during disagreements). At Frameworks of Tampa Bay, we not only believe that world is possible; we know how to achieve it.

Starting as early as preschool and continuing through high school graduation, Frameworks' programming helps young people build a strong foundation of emotional intelligence that unlocks all the skills we need and want in our next generation of leaders — resilience, responsibility/accountability, confidence, communications skills, collaboration, decision-making, etc.

Frameworks currently serves over 30,000 children across 54 schools in Hillsborough County through partnerships with the trusted adults in their lives; such as teachers, parents and mentors. Our Teens In Action program and clubs provide over 100 local teens with the opportunity to advance their EQ skills through civic engagement, networking and leadership opportunities.

When you invest in Frameworks, you ensure more children in Tampa Bay can succeed personally, academically AND professionally — multiplying the impact of your contribution across many issues and needs. With the support of your sponsorship, we will create a future where every child acts with empathy, approaches differences respectfully, and advances the common good for the community of Tampa Bay.
