## What is Teens In Action™ ?

Teens In Action™ (TIA) is a 10-month civic engagement and leadership development program grounded in emotional intelligence.

High school students (9th - 12th) from across Hillsborough County engage in emotional intelligence development workshops with insightful guest speakers to equip them with the skills and competencies necessary for personal, academic, and professional success! The teens then apply learned skills through weekly volunteerism, enriching both the community and them.

## Program Highlights

- Earn volunteer hours through a partnering service site and participate in exclusive events in the Tampa Bay community.
- Attend 7 monthly emotional intelligence (EQ) workshops featuring influential guest speakers and SNACKS!
- Leadership council opportunity to utilize your organizational, communication, and project management skills to plan for the Capstone Service Project.
- Collectively curate a Capstone Service Project that gives back to the community in a significant way.
- College Scholarship Opportunities!
